

Saskatchewan Blue Cross Gardenscape Exhibitor Criteria

Guidelines For Selling / Exhibiting

- i) The product(s) offered for sale must be horticulture related, which includes outdoor living products and services. Examples of acceptable products include: hardscapes, stepping stones, yard art, outdoor/patio candles and lighting, barbecues (grills, smokers), hydroponic gardening systems, patio heaters, patio furniture and accessories, outdoor spas, fencing/decking, live plants for indoor and outdoor use, including cut flowers, horticulture related books and magazines, clothing and accessories for gardening, sunrooms/solariums/skylights, sun protection products, garden/horticulture societies, horticulture related computer software, floral/landscape art pieces, herbs, spices, dry flowers, Saskatchewan made edibles, fruit processed in Saskatchewan, fruit growers, meat produced in Saskatchewan, Saskatchewan commodity groups i.e.: mustard, canola, flax, pulses, sources of green energy (solar, wind, geothermal).
- ii) Saskatoon Prairieland Park reserves the right to all food and beverage concession sales for immediate consumption. Free sampling is permitted from within booth space only. Sampling is not permitted in any aisle or open space that is not incorporated into the booth allotment.
- iii) The sale of raffle or lottery tickets is not permitted without prior approval. Membership sales are limited to horticulture and garden clubs and societies.
- iv) Exhibitors who are selling products must have sufficient stock on hand so they do not sell their display materials. Displays must remain intact until the close of show.
- v) Saskatoon Prairieland Park and Gardenscape Committee reserves the right to reject any exhibitor application received in whole or in part. Applicants will be reviewed annually.

If clarification of products listed on the application is required, show management will contact the company by telephone or email.
